Re: United States v. Gonzalo Salazar-Oliveros
05 Cr. 1069 (GEL)

Dear Judge Lynch:

The above-referenced matter is currently scheduled for a pre-trial conference on Friday, January 26, 2007. Since our last appearance before Your Honor, the defendants have been reviewing the voluminous discovery production in this case, including the more recent arrivals from Colombia. The Government has discussed resolutions extensively with defense counsel, and is drafting plea agreements as per those discussions. Safety valve proffers are also being scheduled. The parties all agree that additional time is in the best interest of the defendants in order to reach a resolution to the case without additional litigation. Accordingly, the parties request that the matter be adjourned to March 2, 2007 at 2 p.m., a date and time provided by Your Honor's Deputy Clerk. The Government further requests that, in the interests of justice, the Court exclude time under the Speedy Trial Act from January 26, 2007, through March 2, 2007. All defense counsel have consented on their clients' behalf.

Respectfully submitted,

MICHAEL J. GARCIA
United States Attorney
